# Authorization and Acceptance of Responsibility in the Use of the Certificate Minute

Being present, the certificate Subscriber, Sir/Madame ....., with National ID Card ....., ..... and the Certificate Responsible, Sir/Madame....., with National ID Card.....

## DECLARE AND AGREE

- That the Subscriber hereby delivers the electronic signature device containing the electronic signature components to the Certificate Responsible, authorizing him/her for its use, following the instructions given by the Subscriber and with the limitations contained in the certificate itself or expressed by the Subscriber in a separate document.
- That the Certificate Responsible accepts the electronic signature device delivered by the Subscriber and that he/she will use it in representation of the Subscriber, under the conditions and with the limits expressed in the previous point.
- That the Certificate Responsible undertakes to make an appropriate and responsible use of the electronic certificate, respecting the limitations of use contained therein and the purpose of issuance, as well as the instructions of the Certificate Subscriber.
- That the Certificate Responsible undertakes to guard the private key of the certificate, and the electronic device containing it, with due diligence, keeping with absolute privacy and confidentiality the signature activation data (PIN).
- That the Certificate Responsible agrees to cease its use at the first request of the Subscriber communication, which should be in written form, and may be made by any means evidencing receipt by the interested party, including e-mail or SMS.
- Likewise, the Certificate Responsible agrees to cease using the certificate when it has become obsolete, either by expiration or revocation.
- Also, unilaterally, the Certificate Responsible may withdraw from the commitment of being the person responsible for the certificate, returning the responsibility to the Subscriber, together with the relevant information and documentation, agreeing not to copy or disclose such information.
