Certificate Reception and Acceptance Minute

The signatory, whose data correspond to those recorded in the electronic certificate used to sign this minutes of certificate acceptance and reception,

STATES

- That he/she has reviewed and verified the veracity of all the information included in the electronic certificate issued by ANF AC, which is used for the signature of this document.
- That, prior to the issuance of the certificate, the issuer entity made available to him/her the following documentation and information:
 - Certification Practices Statement (CPS).
 - Certification Policy (CP) associated with the certificate issued.
 - Applicable fees.
 - Application, renewal and revocation forms of certificates.
 - Procedure for requesting the revocation of certificates.
 - Procedure for requesting the renewal of certificates.
 - How to contact with the issuer entity:
 - By telephone: (+356) 2299 3100
 - Website: www.anfacmalta.com
 - Email: info@anfacmalta.com
 - In person: B2, Industry Street, Qormi, QRM 3000 (Malta)
- That prior to the issuance of the certificate, the issuer entity made available to him/her the key generation device, making of request certificate (PKCS#10), electronic signature device and signature verification. Through these instruments and without third party intervention, he/she selected privately and freely the signature activation data (PIN) and generated the signature keys and the request certificate.
- That he/she has proceeded to download the certificate in the same electronic device containing the cryptographic keys associated with it.
- That he/she acknowledges, understands, and accepts the Certification Practice Statement of ANF AC, the Signature Policy, Certification Policy, and other documents associated with this electronic certificate.
- That he/she undertakes to make an appropriate and responsible use of the certificate, respecting the limitations of use contained therein and the purpose of issuance.
- That he/she assumes the limitation of responsibility of the issuer entity reflected in the electronic certificate.
- He/she undertakes to guard the certificate private key and the electronic device containing it with due diligence, maintaining with absolute privacy and confidentiality the signature activation data (PIN).
- That he/she has verified all the information contained in the certificate, stating that it is truthful and compliant.
- That he/she assumes its obligations as a subscriber or as a legal representative of the subscriber, and undertakes to immediately communicate to the issuer entity any variation of the information contained in the certificate, immediately ceasing its use when the security has been compromised or shelters suspicions about it, requesting the revocation of the certificate.
- That he/she also undertakes to cease using the certificate when it has expired, either by expiration or revocation.
- That he/she knows and accepts that from the reception of the certificate he/she has 15 days to verify its correct functionality, and that after that period, both the certificate and the electronic device in which it is installed shall be considered to meet the technical and functional requirements, without any deficiency.

- That he/she has ratified the documents previously subscribed and associated with the application form and the certificate issuance agreement.
- That he/she confirms authorization of publication of the public part of the certificates received and accepted in this act.
- That he/she has verified that the type of certificate issued by ANF AC is equally correct,

And in witness whereof, electronically signs this Acceptance and Reception Act, on the date that the time stamp credits.

Likewise, he/she wants to **sign the acceptance expressly and formally of:**

Registration as a user on the platform **Universal Exports Asia**

The registration on **Universal Exports Asia [UEXS]** does not entail any commitment or obligation, your signature only authorizes ANF AC to provide your data so that **UEXS** gives you authorized access as a professional buyer on the e-Commerce platforms that this entity manages, accessing the products of the associated manufacturers, and benefiting from International Distributor prices.

SEPA Order

The present order sets up **ANF AC** to present to the collection of the receipts issued by the services that **ANF AC** has invoiced to the signatory, due to the services that he/she has received from **ANF AC** or from some of the member entities of the **ANF AC Cluster**.

Through the signature of this domiciliation mandate, the signatory (debtor) authorizes (A) **ANF AC** to send instructions to his/her banking entity / savings to debit in his/her account and (B) the entity to perform the debts in his/her account following the instructions of **ANF AC** creditor. This domiciliation mandate is intended exclusively for operations between companies and/or autonomous. The signatory (debtor) has no right for his/her entity to refund him once the debit has been made, but he/she can ask his/her institution not to make the debt in the account until the due date. He/she will be able to obtain detailed information of the procedure in his/her financial entity.
