Privacy Policy

Last Updated: 19.07.2016

ANF Autoridad de Certificación (ANF AC) has created this Privacy Policy Statement in order to inform of our commitment to privacy and to describe our policies for the collection, use and disclosure of personal information that may be compiled by ANF AC when our websites are visited. In some cases, other ANF AC websites may contain additional privacy policies. The visits to these sites shall be governed by the specific privacy policies of each site.

This policy has been prepared by ANF AC to discharge third parties.

PLEASE REVIEW THIS PRIVACY POLICY BEFORE USING THIS SITE. IF YOU DO NOT AGREE WITH OUR PRIVACY POLICY, DO NOT USE THE SITE. BY SUBMITTING ANY PERSONAL INFORMATION TO THE SITE, YOU AGREE TO BE GOVERNED BY THE TERMS AND CONDITIONS OF THIS PRIVACY POLICY STATEMENT.

The use of this site is also subject to the Terms of Use. Please review these terms for additional details regarding the use of this site.

GENERAL INFORMATION

IP Addresses and Cookies

Our web pages automatically record your IP address, country of origin and link from which you accessed our website, as well as personal information such as the type of web browser used, to help manage the pages and statistics on the number of visitors and origin.

Please note that on this website cookies are used to run their own navigation electronic communications, and to provide or enable the services or functionality requested by you. These cookies:

- Remember the language preference.
- Increases the safety of navigation on our website.
- They allow navigation to be more easily performed.
- Enable playback of multimedia content.

This website also uses its own cookies, designed to gather information about users' browsing on the site,
completely anonymously and disassociated with strictly statistical purposes and for improving its functionality; its use allows us to:

- Know the number of visitors to the website "ANF AC".
- Count the number of visits in each of the pages of this website.
- Know the activity on the website for identifying problems and improving navigation.

By browsing on our website or accessing our application, you accept the use and installation of cookies.

You can withdraw your consent at any time by removing the cookies installed on your device by configuring the browser options, as described in the section on "deactivation or removal of cookies." However, this might affect the features of the website or application, making your user experience less satisfactory.

You can disable the use of cookies at any time by changing the settings of your browser:

- To configure Internet Explorer cookies
- To configure Firefox cookies
- To configure Google Chrome cookies
- To configure Safari cookies

Submission of Personal Information

You may need to provide some personal information, such as your name and email address in order to use certain sections offered by our website.

The user must provide truthful information regarding your personal data and keep them updated. To communicate any changes, you must access your personal profile. Users who provide false information may be excluded from the services of this website and any other associated to ANF AC.

For using some services (forums, customer support services, software downloading or uploading content), you may need to create an account and provide additional personal information.

Your information will be treated as established in the applicable legislation.
Use of Personal Information

ANF AC uses the information collected to:

- Provide selected services and information.
- Understand customers better.
- Provide better products and services.
- To facilitate the administration of the page (e.g. to solve problems, detect fraud or resolve disputes).
- Analyze best the needs, tastes and preferences to improve the design of the website and deliver content, products, and services appropriate to their profile.
- The management and control of user registration on the website and any application, subscription or other procurements made by the user on the website.
- The management and control of your advertising preferences that you should indicate when registering and may change at any later time by accessing your personal profile.
- If preferences indicate “yes”, ANF AC may carry out commercial activities for our users, customized or not to their profile, electronically or not, on products, services, and content of the various sectors of activity offered on this website and on any other web site of ANF AC or third parties.
- With any purpose ANF AC deems as necessary to enforce the terms of use specified in the Legal Notice, and any other terms or conditions applicable to any section of this website.

Aggregation and Use of Anonymous Data

ANF AC aggregates information provided by you to create anonymous statistical and demographic data. This anonymous data helps ANF AC to understand and know its customer base better. That anonymous data may be provided to third parties but never with the objective of identifying the users.

Third Parties

ANF AC does not sell to third parties information you have submitted to this site that identifies you personally.
Public Forums for User Materials

Certain portions of the site are designed to offer you the opportunity to post information on the site, including but not limited to information about yourself. You should always remember that publicly displayed information is public. If you use a forum, bulletin board or chat room on an ANF AC website you should be aware that any information you share may be visible to other users.

Personal identifiable information you submit to one of these forums can be read, collected, or used by other individuals to send you unsolicited messages. ANF AC is not responsible for the personally identifiable information you choose to submit in these forums.

Please see the Terms of Use for additional terms related to ANF AC forums.

Law Enforcement

As explained in the Terms of Use in the Legal Notice section, ANF AC has a priority policy of cooperating with any order or request of the judicial authorities, or by a competent court, including the Court of Arbitration, in which information is requested about the identity of people who publish or send information to ANF AC through this website. Such orders or requests supersed the terms of this Privacy Policy.

Similarly, notifications of copyright violations, the counter notifications and any other published or required information to process a notification regarding our Policy Copyright Claims, also void this Privacy Policy.

ANF AC Links to Other Sites and Advertising

This site may display advertisements and/or links to third parties. ANF AC is not responsible for the privacy practices or the content of those websites. Please refer to that company's privacy policy for further information.

Surveys

From time to time ANF AC may make online surveys available to users of the site. Participation in those surveys is voluntary. Some online surveys may ask participants for personal information, such as an email address, in addition to requesting answers to survey questions. ANF AC may use that personal information to contact the participant if necessary, or as otherwise as described above. ANF AC may make the results of any survey publicly available, although ANF AC will not attribute any response of the users without their permission.
Minors of age

We do not intend nor want to receive data from children. We encourage parents and guardians to spend time online with their children and to participate in the interactive activities offered on the sites their children visit. No information should be submitted to, or posted at ANF AC’s website by visitors under the age of 18 years old without the consent of their parent or guardian.

Unless otherwise clearly specified in relation to a product, service, or content available on this website, the published contents are not aimed at minors. If ANF AC suspects or is aware at any time that a record corresponds to a minor, it shall cancel the registration and deny access or use of the products, services or content corresponding to such person.

For sites that are intended for use by children we have put in place additional privacy practices which are described on those sites.

SECURITY

General Issues

In general, this site has security measures in place to protect against the loss, misuse, and alteration of the information under its control. During the general use of the website, when no personal or financial information is collected, ANF AC uses standard Internet connections for commonly used sections of the website (without Secure Sockets Layer).

Specific Services

This page may offer optional services that use additional security measures to protect information that users provide to obtain service. These additional security measures may vary depending on the service offered.

During the registration process in the services it will inform the user of specific security measures used. See this information for details on the registration of the relevant webpage.

In some cases, you may need to register for a particular site activity or for a particular service. Maybe part of the registration process consists in choosing a personal password -PIN-. ANF AC reminds you to protect your personal password -PIN- and prevent others from using it. ANF AC does not store nor have the opportunity to do so given that we are not communicate your personal password -PIN-, at any time. It is under your sole responsibility any action contrary to the security rules, especially if you allow others access to your account, grants the use of its signature device, and informs the personal password -PIN-.
ANF AC disclaims any responsibility or obligation for your decision breaching the required safety standards.

**CHANGES TO THIS POLICY**

If ANF AC makes changes to this site, ANF AC may have to update this Privacy Policy Statement to better reflect those changes. Nonetheless, no update to this Privacy Policy Statement will alter the choice you have already made about how ANF AC can use your personal information. It is recommended to review periodically this Privacy Policy. Remember that your decision to continue using this site, after this Privacy Policy has been updated, will signify that you have agreed to the new terms.

**ACCEPT/DECLINE**

Normally, when you send your personal data through this website you accept receiving communications. However, you can change your decision at any time, if you want to remove your information from the log’s website database and no longer wish to receive future communications or use our services, you can do it in the ways described below:

1. On the Personal Profile section of your profile. On this page, you can change the above selections; decide not to receive further communications or delete your registration.

2. Some services may contain a section called Management, from which you can change the above selections concerning the service.

3. You can send an email to:

   [webmaster@anf.es](mailto:webmaster@anf.es)

This email must be digitally signed to ensure authenticity.

Note that it may take some time to process your application, but once processed, we will stop using your information.

If you choose not to receive information or cancel your account, ANF AC reserves the right to use the information provided above to contact you regarding administrative matters related to the use of the website, contracts or communications made.

NOTICE TO EUROPEAN USERS
Note that the information entered on this website or provided otherwise to ANF Certification Authority, or its subsidiaries may be transferred outside the scope of the European Union so ANF AC may process it, to provide some of the pages that make up this website and its services.

ANF AC is a company with offices and subsidiaries in different countries. Please note that these pages located in third countries are accessed from this website. Before providing personal information check the indication of the country from which the page is located, and therefore it will be there where it is stored and where the information receives treatment.

The privacy protection model corresponds to the country of origin, and based on a mix of legislation, governmental regulations, and own regulations.

We also inform that per the Council of the European Union, this model does not provide "adequate" protection to the privacy under Article 25 of the Data Protection Directive of the European Union. (Directive 95/46 / EC, 1995 O.J. (L 281) 31)

Article 26 of the Directive on data protection in the European Union allows the transfer of personal data...
from the EU to other countries if the person involved has provided his/her consent, without doubt, to the transfer of personal information regardless of the level of protection afforded by that country.

**By accepting this policy, you consent to the transfer of such information to third countries outside the EC and processing the same as described in this Policy.**
